They are building airports in Qatar—which they like to say "cutter" but I've

ABOUT

We want to make the best, local, quality spirits around. We love what we do, and we hope you love our spirits too. Come by for Trav & Chas

Our friends, owners, and partners Chas March and Travis Coulson are passionate about creating the highest quality grain vodkas in up to 90% organic, locally-sourced grain. Our vodka is hand crafted in small batches. Each small batch is produced by hand at Jackson Hole Still Works. We believe that the best way to learn about our products is to taste them. We hope you enjoy making them.

Feel free to drop us a line, call us, tweet us, pin us on our facebook page. We would love to hear from you and see what you think!

ABOUT PRODUCTS WHERE WE'RE SOLD VISIT US NEWS

HIGHWATER VODKA

Our first product, Highwater Vodka, is a naturally grain fed, cold-pressed, and distilled spirit. It is made from Wyoming grain, which is grown in the heart of the state. The grain is harvested from the plains, which are filled with the elements of the wide open spaces, mountains, peaks, and tree valleys that make Wyoming such a unique place to live.

TRAV & CHAS

Good friends, owners, and partners Chas March and Travis Goodman are passionate about creating the highest quality hand crafted spirits, capturing the hard work ethic of the western frontier into every bottle they produce.
